Application Recommendations

Name	
Andisil® MQ 50C	Provides long lasting wash off resistance in color cosmetics. Also recommended for a smooth, non-greasy feel
Andisil® MQ 2350	Provides comfortable long wear with a volatile, non-cyclic carrier fluid; leaves a silky finish on the skin. Highly recommended for color cosmetics with the best abrasion and transfer resistance
Andisil® MQ 5230	Film forming benefits with a non-volatile carrier
Andisil® MQ 3250	Long lasting shine with film forming benefits; improves organic compatibility. Recommended for color cosmetics due to good abrasion and transfer resistance
Andisil® MQ 3430	Smooth texture that offers long lasting shine. Film forming benefits with a non-volatile carrier
Andisil® MQ 3150	Organic carrier that provides texture to the hair

Resin Blends

Storage & Shelf Life

The shelf life, when the container is stored unopened and under proper conditions at room temperature, is expected to be a minimum of twelve months. It is recommended to ground the container when pouring or weighing a quantity into another container or vessel to eliminate the chance of a static discharge.

Packaging

Andisil® Resin Blends for personal care packaging options are available upon request.
